

CAMPUS NEWS

Session August, 2020 to July, 2021

Bapujee College, Sarukshetri

Editor: Mr. Nabajit Tamuli, Assistant professor

ABOUT BAPUJEE COLLEGE

Bapujee College is the first institution of Higher Education in the greater Sarukshetri region. The college is named after Mahatma Gandhi (Bapujee), the "Father of the Nation". The Primary goal of the institution is to install the noble virtues of truth, nonviolence, love and other humanitarian values in the students.

Bapujee College is an institution only with Arts stream. It has a total of 09 departments in Under Graduate Courses. They are Assamese, Economics, Education, English, History, Geography, Mathematics, Philosophy and Political Science. In addition to these courses, some Add-on, Certificate and Diploma courses are offered by the institution.

The college is located in Barsala Bilar Pathar under Sarthebari Revenue Circle, in the district of Barpeta, Assam. Now, the area where the college is located known as Bapujee Nagar. Bapujee college is surrounded by some villages famous for bell and brass metal industries.

Bapujee college was founded on 7th August, 1970. Since the day of establishment, the college has left no stone unturned to scatter the light of knowledge among the students of greater Sarukshetri region. This become possible for collective effort made by the stakeholders, be it Principals, Governing Bodies. Employees, Students, Alumni, Guardians and Well-Wishers. All of them have made valuable contribution for the academic upliftment of the institution. In the last two NAAC inspection conducted in 2004 and 2016 was accredited with B+ and B grade respectively. The preparation of third cycle NAAC inspection is under process.

First and foremost, I would like to express my heartfelt congratulations to the Editor and the respective members of the Campus News Committee, 2021, for their sincere dedication and hard work in making the Campus News Magazine a success.

Bapujee College, Sarukshetri, Barpeta has been an epitome of academic and cultural excellence since its inception on 7th August, 1970. The institution has proudly been able to maintain its rich heritage because of the tireless work and participation by the college community in academic, cultural and awareness driven programmes every year. The Campus News magazine can be indicated as the College Mirror. This document is the ultimate reflection of not only the yearly events and occasions, it's also a statement of the various academic and non-academic achievements of the institution.

In the recent years, the institution has witnessed and adapted to the growing and ever-changing academic environment to meet with the global standards. The infrastructure of the institution is also being rapidly developed to cater to the need as well as the demands of the present and the future academic generations. I extend my gratitude to the Co-ordinators and the respective members of IQAC, RUSA, NSS, NCC and the entire teaching and non-teaching staff for relentlessly working towards the betterment of our beloved institution in all aspects.

It brings me immense joy and pride to formally acknowledge the publication of our Campus News Magazine for the year 2021. I sincerely

hope and believe that our institution will thrive amidst all the challenges and continue to spread its glory in the years and decades to come. Taking inspiration from what Swami Vivekananda said, “EDUCATION IS THE KEY TO UNLOCK THE GOLDEN DOOR FOR FREEDOM”, let us all join hands in unlocking the freedom for ourselves.

Best wishes and regards

Dr. Ramesh Das

Principal, Bapujee College, Sarukshetri, Barpeta

Editorial

Education, at present, is a human right and one of the primary instruments for the all-round development of a society. Formal education occurs within a structured institutional framework. But the recent outbreak of the Covid-19 pandemic all over the Globe has compelled the educational institutions to close their campuses for several months which badly affected the traditional teaching-learning process. However, the pandemic-stricken situation opened up some new ways to evolve alternative methods for the teaching-learning activities. One such method is E-learning (or Online Learning). This is a major change in the educational system across the World. Though Bapujee college is situated in an interior and backward rural area with limited resources and facilities, it has tried its best to cope-up with these new challenges and succeed in lighting the spirit of education among the students to a certain extent. It immediately sprang up to the occasion and catered to the academic needs of the students in those dark days.
