FROM PRINCIPAL'S DESK

MESSAGE :

First and foremost, I would like to express my heartfelt congratulations to the Editor and the respective members of the Campus News Committee, 2021, for their sincere dedication and hard work in making the Campus News Magazine a success.

Bapujee College, Sarukshetri, Barpeta has been an epitome of academic and cultural excellence since its inception on 7th August, 1970. The institution has proudly been able to maintain its rich heritage because of the tireless work and participation by the college community in academic, cultural and awareness driven programmes every year. The Campus News magazine can be indicated as the College Mirror. This document is the ultimate reflection of not only the yearly events and occasions, it's also a statement of the various academic and non-academic achievements of the institution.

In the recent years, the institution has witnessed and adapted to the growing and ever-changing academic environment to meet with the global standards. The infrastructure of the institution is also being rapidly developed to cater to the need as well as the demands of the present and the future academic generations. I extend my gratitude to the Co-ordinators and the respective members of IQAC, RUSA, NSS, NCC and the entire teaching and non-teaching staff for relentlessly working towards the betterment of our beloved institution in all aspects.

It brings me immense joy and pride to formally acknowledge the publication of our Campus News Magazine for the year 2021. I sincerely hope and believe that our institution will thrive amidst all the challenges and continue to spread its glory in the years and decades to come. Taking inspiration from what Swami Vivekananda said, "EDUCATION IS THE KEY TO UNLOCK THE GOLDEN DOOR FOR FREEDOM", let us all join hands in unlocking the freedom for ourselves.

Best wishes and regards

Message from Co-ordinator (IQAC)

I would like to thank the editor of Campus News and others concerned. In the year 2021, the IQAC of Bapujee College has carried out various extension activities. In addition to teaching, the college has carried out various responsibilities for the community. The college has been doing various social services with this objective in mind. I hope the campus news will reflect all these things and Bapujee College will be able to establish a good image in the society.

Best wishes and regards

Mr. Bipul Deka

IQAC CO-ORDINATOR

Bapujee College, Sarukshetri

“Where there is unity there is always victory.” – Publilius Syrus.

Good parallel with the above quote: Colleges serve as community centers where people come together to overcome obstacles in the classroom and succeed. This campus newsletter highlights Bapujee College, Sarukshetri's major developments and accomplishments during the academic year (2021–2022). The local people and college authority's enormous efforts and tenacious performance to establish the college as a centre of excellence for research and education are visible to the students. A college could achieve greatness, but without publications like a campus newsletter, the public might not be aware of it. Thus, a college newsletter's function is essential in disseminating and promoting what an organization provides. This newsletter embodies the College's mission and the inventiveness of its students' all-around growth. It also features events, activities, and academic accomplishments at the college spearheaded by staff and students. This edition attempted to cover the events and happenings of the year. Observing the imaginative works of pupils who have contributed to the Newsletter brings me immense joy. Student and staff accomplishments in the areas of athletics, culture, and other activities have been attained.

Introduction – Bapujee College, located at Sarukshetri area of Barpeta district is one of the prestigious institutions of Assam. The college was established in 1970 and has its affiliation with Gauhati University. The college is presently an arts stream college and comprises of nine (09) departments in total. The college is also University Grants Commission (UGC) recognized and is graded ‘B’ by National Assessment and Accreditation Council (NAAC) in 2016. The establishment of the college can be credited to the continuous and undisputed efforts of some great personalities who came up with this idea of setting up a higher educational institution in a rural area like Sarukshetri. As education is the prime motto of any state, so this college too was formed on the basis that the students of a backward area like Sarukshetri would receive the equal opportunity to attain moral and spiritual upliftment. Every student should not be deprived of their basic rights like education. Bapujee College has done a lot in fulfilling this promise and will hopefully continue to do this in future. Another notable effort of this college is the establishment of a study center on Krishna Kanta Handique State Open University (KKHSOU). The college also has a unit of National Service Scheme (NSS). An assistant professor of the college is made the programme officer and students are selected as volunteers for the NSS unit. Various camps and activities are organized by NSS from time to time with the prime objective to create social awareness. It adds to the overall contribution of the college in creating quality education. The mission of the college is to instil in students the values of self-discipline, compassion and a sense of responsibility. Also, it has a vision to generate an atmosphere through which both teachers and students learn to cultivate respect for the elders and brighten up their future.

Governing Body of Bapujee college

The governing body is the base of any educational institution. The name itself defines the main purpose of this body. The body governs the entire functioning of a college and ensures that each and every work is continuing with proper maintenance, both teaching and non-teaching. Installation of Library Automation Software (KOHA)

The college has a well-equipped library with all facilities and equipments. On the 3rd of November, 2021 CCTVs were installed in the college library for continuous monitoring of users which minimizes the continuous efforts of staff to monitor users. The installation of RDID technology was resumed after receiving grants from the State Governments. Server Room was constructed to install a server for Library Automation Software (KOHA) and Digital Library Software (DSpace). A new server was installed in the server room to continue the pending digitization project of the college library. Separate reading spaces for teachers were constructed which was a long standing demand from the teaching community. Also, a new processing and storage room was constructed. Some other developments include installation of Online UPS with financial assistance from RUSA.

Gunotsav Duty Performed by Teachers

Gunotsav is one of the most efficient initiative of Assam Govt. towards improving quality education and assessment in the provincialized schools of the state. Every year it is conducted in a particular month. The main purpose of Gunotsav is to improve the quality of school education. The four core areas viz. Scholastic(learning outcomes of children); Co-scholastic; Infrastructure and Community Participation are the main pillars of performance in Gunotsav. This exercise helps in identifying the learning gaps and ensuring appropriate remedial measures for attaining grade specific learning outcomes by all children. Faculty members of different colleges are assigned as external evaluators for overall monitoring and maintenance of the Gunostav programme. In the year 2022, for Gunotsav Phase II, the following Teaching Staff of Bapujee College are appointed as External Evaluators.

B.A. Examinations smoothly conducted at Bapujee College

Conducting examination is one of the hardest tasks of a college. It requires a great responsibility, be it any kind of examination Higher Secondary Final or B.A. examination. For this, a systematic procedure is followed. First of all an exam managing committee is formed with some responsible and hardworking assistant professors of the college. Then proper arrangements are made such as the setting of classrooms with the primary purpose

that exams are conducted smoothly. Unfair means is prohibited at all costs. In case of B.A. examination, there comes a big difference in comparison to Higher Secondary Examination. B.A. course is divided into two parts – CBCS and Non-CBCS with six semesters in both courses. Each semester consists of two sessional exams and one final exam. The sessional exams are entirely handled by the college while the main part of final exams i.e. the setting of question paper and dates is handled by the particular university the college is affiliated with. The entire B.A. course has to be completed within a fixed time period of three years. In this regard, Bapujee College has maintained a good record of conducting B.A. exams every year. The college is affiliated with Guwahati University. However due to the Covid period in 2021, the B.A. 4th Semester and 6th Semester (CBCS) examination were conducted in online mode, from 25th Sept to 9th Oct, 2021 and August 28th to September 14th, 2021. 1st Semester (CBCS) exam was conducted in offline mode from 30th March to 13th April, 2022 while for the 1st Semester Non-CBCS course, the exam was conducted from 30th of March to 9th of April, 2022. For B.A. 3rd Semester (CBCS) course, the exam was conducted in offline mode from 26th February to 17th March, 2022. For the 3rd Semester Non-CBCS course the exam was conducted in offline mode from 3rd March to 17th March, 2022. The B.A. 5th Semester (CBCS) exam was conducted from 30th March to 12th April, 2022. As per reports from the exam committee and Dr. Ramesh Das, Principal, Bapujee College the exams were conducted smoothly.
